NorStone

Arken 900

Arken, a light concept for contemporary design...

If you are one of those who insists on true design where esthetics come first, then the Arken line is just right for you!

The 90 cm version of the Arken inaugurates an array of products characterized by sculptural lines. Available in a totally white glossy frame, with only the upper shelf in black to give it contrast and making this piece both retro and modern. This version also features a bamboo finish to the delight of those who love adding wood to their decor.
